

Today's Scripture: 1 Corinthians : Acts 2:42-47

⁴²They devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers. ⁴³We came upon everyone because many wonders and signs were being done through the apostles. ⁴⁴All who believed were together and had all things in common; ⁴⁵they would sell their possessions and goods and distribute the proceeds to all, as any had need. ⁴⁶Day by day, as they spent much time together in the temple, they broke bread at home and ate their food with glad and generous hearts, ⁴⁷praising God and having the goodwill of all the people. And day by day the Lord added to their number those who were being saved.

What catches your attention?

Today we are learning the song:

Somos Pueblo de Dios

Somos el pueblo de Dios	We are the people of God
Somos un pueblo especial	We are a special people
Llamados para anunciar	Called to proclaim
Las virtudes de aquel	The virtues of the One
Que nos llamó a su luz	Who called us to his light
Somos el pueblo de Dios	We are the people of God
Su sangre nos redimió	His blood redeemed us
Y su espíritu dio	And his spirit was given
Para darnos poder	To empower us
Y ser testigos de él	And to be witnesses of Him.

OUR RHYTHM

Worship is our life lived in response to Jesus' love for us. Worship expands our imagination to embrace the reality of God more fully. This not only happens with music, prayer, and Scripture, but through dialogue and serving together. That is why every Sunday at Union is a little different.

Prayer requests may be sent to Cathy:

cathythwing@gmail.com.

There is a faithful group of folks who prays weekly for the concerns of our community

Offering is a part of worship—a response to the grace and love God has shown us and a recognition that all we have comes from and belongs to God. There is an offering basket on the back cement block, and you may give financial gifts by scanning the QRcode. Thank you for your generosity!

We are a community full of doubters, truth seekers, questioners, and riskers who are living into being externally focused in our city and the world, internally alive as a community and eternally connected to the living Jesus. We lean into the grace of Jesus Christ, believing all people are created in the image of God.
